**End of Term Arrangements**

- The final day of term is Friday 19th July, and is a non-uniform day.
- Students supporting this non-uniform day are required to contribute £1.50.
- Students will be dismissed from school at 12:15pm.
- Students entitled to Free School Meals can collect their lunches from the school hall at 12:15pm.

**Start of Term Arrangements – September 2019**

**GCE/GCSE/BTEC Results**

A-Level/L3 BTEC Results will be available on Thursday 15th August, from 8:30am - 10am in E Block. GCSE/L2 BTEC results will be available on Thursday 22nd August, from 9am until 10:30am in E Block. Candidates and parents will receive more detailed information about the structure of the morning with times in due course, via email. Candidates who are unable to collect their results in person may nominate someone to collect them on their behalf, once they have completed the permission form, which is available on the school website here.

**Ms Yates, Examinations Office**

**Music Lessons**

If your child would like to sign up for music tuition lessons (instrument or voice) the form is attached and you will need to make payment on parent pay by July 17th. Any questions or concerns, please email Ms. Wickens on mwickens@ephs.ealing.sch.uk.

**Ms Wickens, Subject Leader - Music**

**Host families needed for German trainee teachers for an 8 week period**

The school has been given the opportunity to host some German teacher interns here at Elthorne Park for an 8 or 12 week period. This is through an organisation called Interned UK, who help German teachers of English gain some experience in British schools and contribute to the teaching in the German department.

As part of the programme, the interns are encouraged to stay in a host family where English is spoken and the host family would be able to receive £120 per week as food costs. The dates are on a rolling basis and are completely flexible. If any families in the school have a spare room and would be interested in helping out with this programme, please contact Ms Reed for further information. The idea is to have a few families who are willing to help and rotate them when an intern becomes available.

**Ms Reed, Subject Leader - German**
**Notice for Year 11 Students**

**Lockers** - if you have had a locker during your time at EPHS, please make sure that you have emptied it and handed the key to reception by Thursday 18th July at the latest, after this date the locker will be opened by the caretaker and the contents disposed of.

**EPHS textbooks** – if you still have any school textbooks, please return them by Thursday 18th July, otherwise you will be charged for the cost of a replacement.

**Yearbooks** – reminder that if you have ordered a Yearbook, these will be distributed on Results Day (Thursday 22nd August).

Thanks in advance and have a great summer!

**Year 11 Team**

---

**Lunch Account Balances - Parents of Year 11s and Year 13s**

If you have a child in Year 11, we hope they will return to us in Year 12. However if they don’t, please request that any balance remaining on their lunch account is transferred to a sibling. If they do not have a sibling, please call the finance office and we can arrange for a refund to be made. Credit balances MUST be claimed by the end of September 2019.

**Ms Patel, Finance Office**

---

**Year 12 and 13 Overdue Books Reminder**

Thank you to all parents and students who have helped find and return overdue school library books over the last few weeks. With your help, we have managed to recover over half of the books on loan to Sixth Form students. You will have received an email if your son/daughter still has an outstanding book to return. Please help your son/daughter to check at home and to return the books they loaned as soon as possible. If their book is lost, they will need to bring in or pay £5 for a replacement before the end of term.

**Ms Martino, Librarian**

**Year 8 Wild Child Residential**

For Year 8 students who are attending the Wild Child Residential from Monday 15th - Wednesday 17th of July please refer to previous issues of the newsletter for a copy of the recommended equipment to bring.

Remember that you shouldn’t bring:

- Sweets and snacks (no food allowed in tents); Tablets, electronic games consoles etc.
- Jewellery; Money – there is nothing to spend it on!

We don’t recommend that students bring mobile phones as there is limited reception and nowhere to charge them. They can be brought but staff cannot take responsibility for them.

**Ms Maddox, Assistant Year Leader - Year 8**
English Heritage Writing Competition
This summer English Heritage are launching an exciting new competition for children across the country to write a short story inspired by the myths, legends, and folklore surrounding English Heritage historic places for the chance to win fantastic prizes for them, their family, and their school; and they have invited our school to take part!

To enter, students need to:
- Gather inspiration from stories of the past at one of the English Heritage sites.
- Write a story inspired by their chosen site’s myths, legends, and folklore in 500 words or less.
- Submit their story on the entry sheet (https://www.english-heritage.org.uk/tellusastory) by emailing telling-tales.writingcompetition@english-heritage.org.uk.

From St George to sea monsters, medieval ghosts to buried treasure, and so much more, the stories behind their incredible historic sites offer a fantastic opportunity for our pupils to unleash their imaginations and hone their creative writing skills as part of this competition.

Need some more inspiration? How many local legends can you name where you live? You might be surprised by the stories right on your doorstep. Illustrated by artist Clive Hicks-Jenkins, their interactive map (https://mythsmap.english-heritage.org.uk/) lets you explore the myths, legends and folktales of England in your web browser.

They will be accepting entries from 10am on 5 July 2019, and the competition will close at midnight on 20 September 2019. For further information, please visit www.english-heritage.org.uk/tellusastory.

Ms Clark, Faculty Leader - Humanities

Reader of the Week
Milo Stone (7R)
For reading the entire Noughts and Crosses series this term! He can’t wait for the fifth book to come out this August! Well done Milo!

Please come to the library to choose your PRIZE.
WHOLE SCHOOL READ

This summer, we are once again inviting all students, staff, parents and families to get involved in our WHOLE SCHOOL READ.

We are announcing the book we’ve chosen this week and we would like as many of you as possible to make it one of your summer holiday reads!

I AM THUNDER by Muhammad Khan questions how far you’ll go to stand up for what you believe.

Fifteen-year-old Muzna is used to being invisible. So no one is more surprised than her when Arif Malik, the hottest boy in school, takes a sudden interest.

But Arif is hiding a terrible secret and, as they begin to follow a dark path, Muzna faces an impossible choice: keep quiet and betray her beliefs, or speak out and betray her heart.

You can borrow the book from the school library or from your local public library. It’s also available to buy in bookshops or from Amazon for £5.07, on Kindle for £4.99 or as an audiobook on Audible.

We are also running TWO fantastic summer competitions so you can choose which one appeals to you most. If you want to get involved in both, you can.

We will celebrate all the entries and winners at a special event in September and we have some amazing prizes lined up!

**Competition 1 #IamThunder**

If you love writing stories and you’d like to write something original, we’d love you to use the title ‘I am Thunder’ as a starting point for a piece of writing.

It can be a short story, a poem, lyrics to a song, anything you like. You could also have a go at rewriting the ending or write the start of a sequel!

Our Patron of Reading Faye Bird will judge the entries so... pens at the ready!

Closing date: 23rd September 2019

**Competition 2 #Storysnaps**

Enter our photography competition and take a photo of yourself reading I AM THUNDER somewhere unusual over the summer!

Judges will be looking for originality, humour and style. It’s that simple!

Just email your photo over the summer holidays to storysnaps@ephs.ealing.sch.uk or hand in to the library at the start of next term.

Closing date: 23rd September 2019
Year 10 Coursework and GCSE Champions Programme - 8 - 10 July

This week all Year 10 students participated in a series of workshops to complete Year 10 learning and learn how to best prepare for the challenges of Year 11. During 8th-9th July, students were given the opportunity to complete or improve GCSE coursework or catch-up on any incomplete units in options subjects. On 10th July, all Year 10 students participated in our GCSE Champion Programme to learn how to best prepare for Year 11. The day comprised of an Exams Buster assembly delivered by a motivational speaker, a carousel of revision workshops in English, Maths, Science and Effective Revision strategies.

Within the English, Maths and Science workshops all students received subject-specific guidance on how best to produce revision materials and how to effectively revise over the Summer break in preparation for their Pre-Public Exams (PPEs) in the autumn term. English, Maths and Science have given your child a detailed topic list of the areas that your child should produce revision materials for prior to returning in September. Subject specific expectations are set out below:

English
All students should produce revision materials covering Macbeth and A Christmas Carol. Students have been provided with a detailed list of the 12 sub-topic areas that they should create revision cards for and materials to support this process have been shared with all students. All students have been shown how to create effective revision cards and how to audit their own understanding of the 12 sub-topic areas. If you require further guidance regarding the revision materials for English, please contact Mr Kelley at jkelley@ephs.ealing.sch.uk

Maths
All students should produce revision materials covering the chapters that the students have covered in Years 9 and 10 in Maths lessons. Students have been provided with a detailed list of all of these chapters which link to MathsWatch and MyMaths. They have also been provided with model exemplars of mind-maps and revision cards that are effective revision strategies in Maths. Students need to further practise these mathematical skills by using the past-papers that are available on the EPHS One-Stop Revision Shop website. If you require further guidance regarding the revision materials for Maths, please contact Ms Jennings at pjennings@ephs.ealing.sch.uk

Science
All students should produce revision materials covering Biology, Physics and Chemistry topics that the students have covered in Year 10 in Science lessons. Students have been provided with a detailed list of all of the key topics for each of the three topics. They have also been provided with model exemplars of mind-maps, revision cards and revision clocks that are effective revision strategies in Science. Students need to further practise these scientific skills by using the past-papers that are available on the EPHS One-Stop Revision Shop website. If you require further guidance regarding the revision materials for English, please contact Mr Heffernan at pheffernan@ephs.ealing.sch.uk

In addition to completing the revision materials listed above, students should use the revision strategies to prepare revision materials for all of their options subjects if they have not yet completed these in preparation for their Year 10 Pre-Public Examinations.

How can you best support your child in completing their revision materials this summer?
Subject Leaders estimate that the total time required to complete revision materials in English, Maths and Science will not be longer than 40 hours or 5 school-length days. The process of completing revision materials is most effective if it is spaced out over the summer break. It is therefore recommended that you monitor your child’s progress towards completion of this task so that work is not completed in a hurry in the days immediately before returning to school.

Thank you for your support in ensuring that your child is prepared for Year 11. Should you require clarification on any of the guidance given, please do not hesitate to contact me.
