

Dear new Year 7 students,

Hello and a big welcome to Elthorne Park High School. My name is Ms Maddox and I am going to be your Year Leader when you start Year 7. I am really excited to meet you all and am looking forward to finding out more about you and helping you to settle in when the school year starts. I'll then be supporting you during your first year here at Elthorne.

We understand that this is a very exciting time for all our new year 7 students and that you are all curious about what happens during the move from primary to secondary school. So, over the next three weeks we are going to be sending you some transition activities to complete, to help you feel prepared for your start. These will be sent to your parents by email on:

- Friday 26th June
- Friday 3rd July
- Friday 10th July

They will include links that will take you to videos where you can learn more about the school site, members of staff you will meet and information about school life from our fabulous Year 7 Ambassadors. Our ambassadors have been working really hard to share their experiences of Year 7 with you and they would love to help answer any questions that you may have about transitioning to secondary school. If you have any questions then please [click here](#) to go to the question form on our school website. Just fill in the information, ask your question and we'll get back to you as soon as possible. You'll also find resources they have already prepared for you on the Year 6 pages of the school website [here](#)

I hope you continue to work hard over the remainder of this term and have a really enjoyable summer.

Yours faithfully,

Ms Zoe Maddox

Year 7 Leader.
